Re: Your Public Records Act Requests

To Whom It May Concern:

On August 26, 2019, you simultaneously presented to the Office of the Sheriff, Contra Costa County (CA) ten (10) separate, unrelated requests for records pursuant to the California Public Records Act (Gov't. Code § 6250 *et seq.*).

These ten PRA requests concern: (1) Agreements with the Federal government; (2) Body Worn Cameras; (3) Cell phone interception; (4) Facial recognition; (5) FLIR Cameras; (6) Gunshot detection; (7) License plate readers; (8) Predictive algorithmic software; (9) Social Media Monitoring; and (10) Unmanned Aerial Vehicles.

We are writing to advise you that our response time must be extended. For the purpose of this extension letter, we are consolidating your ten requests and issuing a single consolidated extension applicable to all ten requests.

We require additional time to consider your requests and to search our records. Pursuant to Gov't. Code § 6253(c)(1), this additional time is necessary in order "to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request."

We shall attempt to respond to your Public Records Act request with a 14-day extension from the date upon which the response would otherwise have been due. Accordingly, the original due date being September 5, 2019, a response is expected to be sent to you pursuant to this extension on or before September 19, 2019. This extension is made in

order to allow the time necessary for proper review, analysis, and processing of your request.

Sincerely,

DAVID O. LIVINGSTON, Sheriff – Coroner
